Spring is around the corner! This means heavier golf traffic. Please help encourage your group and others to help with simple cart traffic policies.

1. Keep carts 30' from the putting surfaces.
2. Do not cross the white line in front of the putting surface, and return to the concrete path.
3. Use the concrete paths where they are provided.
4. Use the 90 degree rule on all fairways.

Thank you for your help in keeping these rules.

Quote of the Month:

"I'd rather be hated for who I am than loved for who I'm not."- Lenard McKelvey (National radio host)

Hello everyone!

April is here and spring is in full swing! With warm weather coming and the Georgia summer coming in a few months, let's talk about this month's subject: Salvia. It comes from the sage family of plants.

Salvia is a flowering plant that produces spikes of showy flowers from late spring until early fall. They come in a variety of colors like blue, purple and white. Salvia is also a perennial and if taken care of properly, can last up to 10 years.

Even though Salvia is a flower, it's rare to see it actually bloom. When these plants do finally bloom, the flowers are white and covered with little hairs. It is also hard to find any seeds on the Salvia. There hasn't been any finding of seeds on Salvia plants in the wild as of yet and usually are propagated by using cuttings.

Hello and Happy April, members!

I am so excited to announce that the new helicopter landing pad being built on our very own Houston Lake will be finished just in time for April 1, 2099!

In other news, April has so many fun and enjoyable recognition days like, did you know that Tuesday, April 5th is Deep Dish Pizza Day? Me either, but I just googled it, lol. Here are a few more fun facts that I bet you didn't know. Thursday, April 7th is National Beer Day. Ok, you probably knew that one, lol. It's also National Burrito Day, how about a fish burrito with, fried corn chip, and red onion? Yummy, JK! Tuesday, April 12th is National Grilled Cheese Day!

Let us not only recognized my absolute favorite beef dish, prime rib on Wednesday, April 27th, but also give thanks to our hard-working admin staff on Administrative Professional Day, Michelle, Heather, and Samantha. Without them, we wouldn't get our helicopter pad built, 77 years in the making, lol. Do you know what else took 77 years to make? Sam "Scott" Elliot, our superintendent, that is old! JK. Not you, Scott!

This year Easter falls on April 17th, and we'll have a plethora of delicious foods like our Famous Fried Chicken, Meatloaf, Blackened Salmon, Mashed Potatoes, Mac and Cheese, Green Bean Casserole, Asparagus with garlic and bacon served with an assortment of amazing desserts.

This picture above is from our delicious Beef Short Ribs on our dinner menu. You can see the full video of it on our Facebook page along with other yummy delights. Also included above is our, Pumpkin Bread Pudding with whiskey caramel sauce, toasted pumpkin seeds and fresh whipped cream. This dessert is decadent, rich, sweet, custardy, crunchy, and creamy. Just plain good FR. Pictured to the top right is a catering provided by our kitchen to the Center Stage for Christ Productions at the Perry United Methodist Church in downtown Perry. That week we fed almost 600 people in a five-night Murder Mystery Dinner Theater written and directed by Dr. Michael Kinsley. If you're looking for the

perfect catering, let us handle all your offsite needs.

Contact Megan, or Shella and they'll get with me to make your event successful.

Thanks for reading my April Fools Day newsletter blog.

Hope you got lots of laughs!
