We will begin the aerification of putting surfaces on the 6th and weather permitting finish by mid day on the 7th. We will be using quarter inch hollow tines. Then, we will top-dress to fill the holes, drag the sand in and begin rolling to smooth. Using the smaller tines will limit surface disruption and help with a quicker recovery. This process reduces compaction from machinery and foot traffic, increases water and air infiltration, promotes root growth and helps reduce thatch and grain.

Congratulations to Perry High School for an excellent season earning runner up in the 4AAAA high school state championship!

Andrew Reyes capped off a stellar season with a runner up individual finish with an impressive 64-70!

From the Pro Shop Super Shooters

George Collins made an eagle on hole #16. Way to go George!

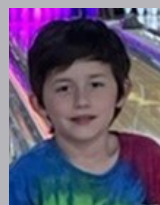

Bob Wilkeson made an eagle on hole #18 with a pitching wedge from 125 yards!

Congrats to **Andrew Reyes** on his win at the Peach Blossom Tournament and 2nd Low Medalist/GHSA

After receiving a lesson from HLCC golf pro, Lacey Fears, **Larry O'Neal** went on to shoot his second lowest career round at HLCC. Great teaching, and great playing Larry!

During a recent round in the HLCC Op 36 program, eight year old **Finn Lacey** carded his first career birdie on #3. Finn went on to shoot his low career round of 37. Great playing, Finn!

HOLE IN ONE ALERT!

Bobby Davis made his second career hole in one on hole #3 with a pitching wedge. Great job, Bobby!

Members,

We are happy to announce we upgraded to Golf Genius Premium tournament software. This enables us to have live scoring, tv displays, and registration portals to enhance your tournament experience. You'll notice a new way to sign up for events. Rather than a google form, each tournament will have a webpage and you'll register there.

I'd like to welcome Skye as the new addition to our Pro Shop team. Skye comes to us from Uchee Trail Golf Course in Cochran, Ga with 4 years of experience. If you see her, please say hello and introduce yourself!

In the Garden...

Hey everyone, June is here and summer is quickly approaching us. Let's sit around the oak tree and chat about this month's subject, which is Hollyhocks.

To begin with, Hollyhocks are herbaceous plant of the hibiscus, or mallow family, native to China but widely cultivated for its handsome flowers. Majority of Hollyhocks are biennial, which means in the first year they spend all the time storing energy and nutrients so the next year, they can bloom until their heart's content.

Hollyhocks usually bloom midsummer and love well-draining areas that are in full sun to partial shade. Also keep in mind that they also grow to be pretty tall so planting these beauties near a wall, fence or trellis would be ideal.

Lastly, they are phenomenal when it comes to being pollinators. They attract both hummingbirds and butterflies so if you want to add even more beauty to your yard, I highly suggest planting some Hollyhocks.

As always, if you have any questions, please feel free to ask me.

In Loving Memory....

A Special Congratulations to our employees Eric and Joey as they welcomed a new addition to each of their families!

A word from Executive

Chef

Jason

Delasota, CEC

Hello, Members!

June is here and the beautiful weather is in full swing! Pun intended.

As your Executive Chef and devoted culinary professional, I am happy to announce that we are going to be mixing things up and will be releasing a brand new lunch and dinner menu. We want to offer new and exciting options that will be above par! Look for a more streamlined and consolidated dinner menu with items from lunch appearing on the new menu. So many people love our burgers, chicken tenders, and wings, that even after lunch we receive orders for them at night. So why not add them to every menu?

Along with the fan favorites, while in "The Lab" (kitchen), I've created delicious Lasagna Rolls! These tasty egg rolls have everything my signature lasagna has; ricotta, and mozzarella cheeses, beer Bolognese and even the crispy texture of the occasional exposed lasagna noodle baked in the oven! We will serve a delicious marinara dipping sauce to accompany these amazing egg rolls.

If you would like to see something you have enjoyed in your travels and it hasn't been offered here at Houston Lake, please drop me a line at Jason@houstonlake.com. We are always open to suggestions and we are absolutely here to serve you, our members!

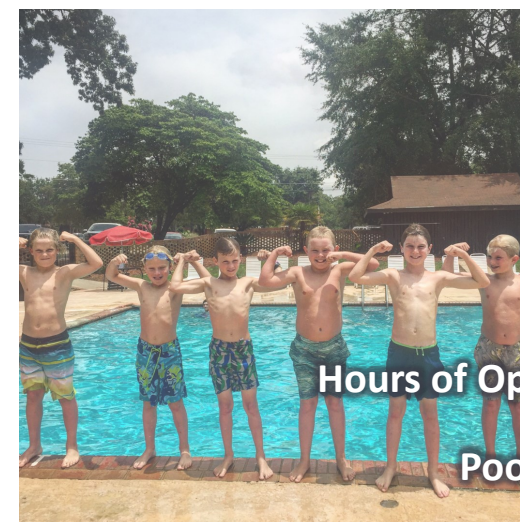

Lastly, I wanted to give a big thank you to everyone who joined us during our Mother's Day brunch, it was a super success and it was great to see so many smiling faces!

In May, we were awarded by the Houston County Career Academy at the FCCLA State Awards Dinner for our outstanding partnership in mentoring the culinary students.

Thank you Chef Suni and all of the students who make being a coach so rewarding. Even City of Warner Robins Mayor LaRhonda Patrick was there as a guest motivational speaker and to show support in the efforts to help guide these young men and women.
