Scott Palmer
Golf Course Superintendent

As we make our transition from actively growing Bermuda grass to semi-dormant Bermuda, ball mark repair and divot repair becomes even more important. Bermuda regenerates from stolons and rhizomes. During winter, growth is slowed significantly, and in late winter can completely stop. Golfers must be even more attentive to these damaged areas. Please repair your marks and help keep this problem in check.

Give a warm welcome to our new Assistant Superintendent, Jay Harrelson, when you see him on the course!

Hey everybody!

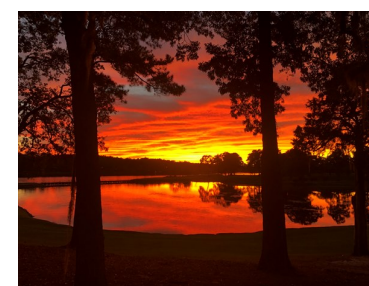

2022 has come and gone, and the new year is here! Let's dive into this month's topic: Petunias.

We'll start with the basics: the word Petunia is from a native South American word "petun" meaning "tobacco," which is a close relative to Petunias. Petunias can be different colors such as white, yellow, pink, purple, red, or blue.

Petunias are mainly available in two types: grandiflora and multiflora. Grandiflora petunias have larger but fewer flowers, and multiflora petunias have plentiful but smaller flowers.

A surprising fact about Petunias is that their blooms are actually edible! Some of the flowers are somewhat sweet to even spicy.

As always, I hope everyone has a great start to the new year, and if you have any questions, feel free to ask me!

Another gorgeous HLCC sunset!

Happy New Year, Members!

Now that 2022 is slowly disappearing in our rear view, we are looking ahead to the wonderful and exciting experiences 2023 will bring! I would first like to give a heartfelt thank you to each member for their generous Christmas donation. On behalf of Houston Lake Country Club, we are very grateful to be your food and beverage team. To give you all a glimpse into what this new year will look like, we are planning on menu changes for our breakfast, lunch, and brunch menus. If you haven't been out to the club since our new dinner menu launched, I highly recommend making your reservation soon! The new dinner menu has been said to be the best it's been, EVER!

Along with all the exciting new menus, I plan on having a wine dinner in March. Please make your reservation soon as time goes by fast, and seats fill even faster!
