## On the Course...

**Scott Palmer**  
Golf Course  
Superintendent

September will bring us slightly cooler temperatures and shorter day lengths. It will be time to begin preparing for the fall and winter seasons. We will continue the same cultural practices as normal with topdressing along with vertical mowing. Heights of cut will remain the same. Fertilization along with wetting agents will remain on schedule. By month's end we will apply annual blue reduction products along with spring dead spot fungicide applications on putting surfaces. Landscape bed preparation for winter annuals and selective pruning of ornamentals.

### HLCC Golf Cart Policies

- Two players per cart when possible.
- Please observe all cart path signs.
- Carts are to be kept 30 yards from greens and trees.
- Carts must remain on cart paths on all par 3's and holes 9, 16, & 18.

**Thank you in advance for adhering to these cart policies and improving turf quality at HLCC.**

**Lacey Fears**  
Head Golf Professional

Members,

As the weather begins to cool off, we will see an increase in play on the weekends. We always reserve tee times on Saturday and Sunday for members only until 2:00pm. In order to be efficient with these coveted tee times, we will no longer allow any group to have less than 3 players. If you are a single or a twosome, we reserve the right to pair you up. Those with standing tee times, please be diligent and let the pro shop know as soon as possible if you will not be using some of your times.

## In the Garden...

**DeGeorge Reeves**

Horticulturist

Hello everybody, I hope everyone is staying cool in this Georgia heat. It is with great sadness that I am announcing my departure as your horticulturist of Houston Lake Country Club (HLCC). This will be the last newsletter written by me, and I would like to extend my thanks and appreciation.

I would first like to recognize the staff of HLCC. Thank you for being great colleagues and friends that made work fun and enjoyable. That alone made these last four years seemingly fly by and I'm truly thankful for the time that I have spent with you all.

Secondly, I would like to thank management, especially Scott, for being an amazing, helpful, and understanding boss since my first day as well as giving me the opportunity and support to grow. I'd also like to thank Tonya, who taught me more than anything that I could learn in a book and I'm proud to call her a mentor and a good friend.

Last but definitely not least, I would like to thank the members of the HLCC who welcomed me with open arms. I have appreciated the wonderful comments regarding the various floral arrangements and for helping me discover and foster the love I have for horticulture. Thank you for the questions, helpful criticisms, and compliments; they have given me the confidence to bloom and I will forever be grateful.

I would like to end my journey with Houston Lake Country Club in the same way as I started, with a quote:

"Celebrate endings for they precede new beginnings."

A word from Executive  
Chef

Hello and happy summer everyone!

School has begun and time is flying by. For those of us that are fortunate enough to have our little ones back in school, I know firsthand how busy the day becomes.

During these busy days, it can become a task to shop, prepare dinner and clean up all of the dishes, so let us help by joining our reservation system and reserve a seat at the table where the food is top notch!

We have an unlimited amount of creativity and daily specials being made throughout the week along with an amazing menu for each of our services.

Our Members Only Wine Pairing Dinner was a great success! Check out some of the pictures below and make sure to look out for our next one, you won't want to miss it!
