## A word from our Pro...

**Lacey Fears**  
Head Golf Professional

Members,

In the coming weeks, we will have an updated scorecard. You will notice some changes including a new order of tees and a new hybrid tee all with updated course slope and ratings. The thought behind the hybrid tee was to provide a set of tees with a total yardage that fills the gap between our Yellow tee and Green tee. Our most forward tees will now be the Red tees. Our recommendation still remains that golfers should play the set of tees that allows them to hit greens in regulation and have FUN!

### EMPLOYEE OF THE MONTH Paul Wiles

Congratulations to our Employee of the Month, Paul! Paul has been a valued member of our maintenance department for 3 years. He is a great employee and his versatile experience makes him a valuable asset to our team. If you see Paul out on the course, make sure to thank him for his hard work to keep our course looking great!

## On the Course...

**Scott Palmer**  
Golf Course Superintendent

This month the continuation of normal cultural practices and mowing of putting surfaces will be on schedule. With shorter day lengths and cooler temperatures, we will raise heights of cut to prepare for the winter season. Normal fertilization continues with products designed to provide nutrition throughout the cooler months. Overseeding of 10, 16, and 18 fairways along with the practice tee will be completed by month's end. This year we will be using a 3-way blend of perennial ryegrass. Annual flower beds around the clubhouse and terrace will be planted and general ornamental clean up and pruning will be finished.

## HLCC Golf Cart Policies

- Two players per cart when possible.
- Please observe all cart path signs.
- Carts are to be kept 30 yards from greens and trees.
- Carts must remain on cart paths on all par 3's and holes 9, 16, & 18.

**Thank you in advance for adhering to these cart policies and improving turf quality at HLCC.**

## HLCC Employee Party 2023
