## A word from our Pro...

**Lacey Fears**  
**Head Golf Professional**

Members,

I want to share my gratitude with you all for being so supportive and welcoming to junior golfers at our club! It's allowed us to reach hundreds of kids across all of our programs. It is now high school golf season and we have 3 high schools that call HLCC home: Perry High School, Veterans High School, & Westfield School. This means the practice area may look a bit busier between 3:15-4:30 during the week. We have done our best to strategically schedule each school in a way that minimally disrupts member play. To avoid any confusion, we recommend calling ahead and making a tee time after 3:00. I'd like to encourage you to get to know the players and coaches if you are able as we have some really talented junior players. While some courses have gotten less and less friendly to new players and junior players, I am proud to say HLCC never waivers in our mission to grow the game of golf.

### EMPLOYEE OF THE MONTH

Travis Cantrell

We are happy to announce Travis Cantrell as our February Employee of the Month! Travis is responsible for planning and executing the beautiful landscape you see when you come out to HLCC. We are thankful for his expertise and all he does here at the club. Make sure to thank him when you see him!

## On the Course...

This month we will continue post and pre-emergent applications on the course green slopes, tees, fairway, and roughs. Mowing and rolling of putting surfaces will continue, with the weather dictating which technique to use. Debris removal from the course and tree pruning of selected spots will be completed by month's end. We have been cleaning up some of the lake bank areas on the course and should be done with this effort soon. Please repair your ball marks on greens.

Look for the Op36 email to sign up or email Lacey with any questions
