From the Pro Shop

Vicki Causey shot her career best at HLCC of 86. Good playing, Vicki!

Camden Guyton won the first UA golf tour event with an impressive even par, 36. Congratulations Camden!

A word from our Pro...

Lacey Fears
Head Golf Professional

Members,

It's spring time and my favorite time of year! Since we have more daylight, the Pro Shop now closes at 7pm daily. We also change over to our Spring/Summer standing tee times beginning April 1st. You will be notified of your exact times. Please keep in mind, we love being able to provide member groups with standing tee times but it is imperative we have your cooperation. If you are a group leader, it is your responsibility to notify the golf shop at least 24 hours in advance if you will not be using all of your tee times. This is the only way we can make sure the prime time slots get filled with golfers. Failure to do this will result in loss of a tee time the next week. Thank you for your understanding & we look forward to having you on the golf course this spring!

EMPLOYEE OF THE MONTH
Brenden Martin

Brenden has been a part of our outside services team for a few years and he has grown to be a huge asset for us. He's always willing to go the extra mile and help out coworkers and members with anything he can. Thanks for your hard work, Brenden!

Scott Palmer
Golf Course Superintendent

On the Course...

We have completed the first round of pre emerge materials along with initial foliar nutrients on putting surfaces. With warmer temperatures we will be able to lower heights of cuts on surfaces and begin some cultural practices such as topdressing and light brushing. Wetting agent will be applied to help with irrigation efficacy on putting surfaces. System checks will continue. Initial fertilizer applications to green slopes, teeing grounds and fairways will be completed.
