On the Course...

This month on the golf course we will continue the basic program of mowing and light topdressing on putting surfaces. When we start to have consistent warm temperatures the topdressing will become more routine. We will help Mother Nature a little and apply materials to take out the overseeding to help with the transition back to Bermuda. Basic growth products will be applied along with nematode suppression products. Clubhouse annuals will be planted along with the swimming pool being inspected and open by months, end.

A SPECIAL FAREWELL TO SAMANTHA THARPE

After 10 years of service to the members of Houston Lake Country Club, it is bittersweet that we bid a fond farewell to Samantha Tharpe.

Samantha began her career at HLCC as a Server, and was quickly promoted to Bartender and then Shift Leader. Most recently, Sam served as Administrative Assistant in the club office. In each of these roles, Sam has been impactful in achieving the club's mission of improving the quality of life of our members by providing a premium customer service experience.

In addition to being an integral part of the HLCC team, Sam has become a dear friend to many of her HLCC coworkers and club members, and will be missed by all. We are truly thankful for Samantha Tharpe and wish her the best in all her future endeavors.
