Golf Policy Updates/Reminders:

Golfers are REQUIRED to check in at the Pro Shop prior to beginning play. This applies to ALL member and ALL guests. Golfers will be required to show receipts to the starter on the first tee on Saturday mornings.

For groups with standing tee times, it is imperative that you call at least the day before and let us know if you will not be using all of your tee times. Failure to do so will result in loss of times and/or a no-show fee.

On the Course...

JAY HARRELSON

Assistant Golf Course Superintendent

As the winter season approaches, we will see frost delays. When we delay play on these mornings it is to help protect the grass from damage caused by foot traffic and mechanical usage. So, the golfer must be even more attentive to these damaged areas. When turf is damaged during cool temperatures, recovery is slow, if at all. Thank you in advance for your patience.

HAPPY RETIREMENT!

After years of dedicated service, Scott Palmer, our beloved Golf Course Superintendent, is hanging up his hat and retiring! Scott's dedication to the course will be deeply missed, but the impact of his work will continue to be felt by both the players and the community for years to come. We wish him all the best in his well-deserved retirement. Here's to Scott—may your retirement be as rewarding as a birdie on the last hole!

Fall Festival fun!
