A word from our Pro..

LACEY FEARS, PGA, LPGA Head Golf Professional

Members,

Happy 2025! As we begin the new year, I'm excited to share some upcoming events and news from the golf course. First, I want to encourage everyone to sign up for our annual Stan Gann Memorial 3-man Scramble, taking place on February 22-23. This is always a popular event, so I recommend reserving your team's spot early. Registration is done online through GolfGenius. Check your email or contact the pro shop for the link.

Friendly reminder that it's frost delay season. If morning low temps are in the mid-low 30's or below, please contact the pro shop to see if there is a frost delay.

Here's to a wonderful 2025 season!

GOLF COURSE SUPERINTENDENT **JAY HARRELSON**

We will be bringing the new year in with some cold weather and a fluctuation of warmer days here and there. During these cold winter months, growth of rhizomes and stolons in bermudagrass dramatically slows and leaf blades will cease most, if not all vertical and lateral growth. This is why it is more important than ever this time of year to be repairing your ball marks and divots. Also, when temperatures in the morning are at or above dew point, dew on the leaf blades will freeze causing frost on putting surfaces and in roughs and fairways. Please remain patient with our maintenance staff and Mother Nature as we work around freezing temperatures and frost delays to ready the course for play. Stay warm, and

Happy New Year!
